Bott Cancer Center and Women's Health Center

Our Comprehensive Cancer and Breast Health Programs provide a patient-centered, healing environment. As a faith-based organization, Holy Redeemer Hospital recognizes the importance of caring for the whole person – mind, body and spirit, with a mission to care, comfort and heal.

16. Patient Support

Location: Women's Health Center

The Patient Support volunteer will work closely with the Nurse Navigator and Breast Care Surgeons (<http://www.comprehensivebreastcare.com/>) to assist in the mission of providing holistic care to women coping with a cancer diagnosis or being screened for breast cancer. The volunteer will work primarily at the Women's Health Center in Southampton, but will also minister at the Bott Cancer Center occasionally to perform rounds with the Nurse Navigator or to be present during surgeries.

Responsibilities

- Work closely with Breast Care Surgeons as they perform biopsies – get to know patients' schedules and plan on being present for their arrival so that there is a continuity of care when they visit the Center
- Occasionally accompany surgeons to the OR to gain a better understanding of the surgical process and why it is essential to provide the patients with a holistic care experience
- Work closely with the Nurse Navigator at the Women's Health Center to assist as needed
- Work with the Healing Consciousness Foundation (<http://www.thehealingconsciousness.com/>) – this includes updating the foundation website, connecting with members and providing support through inspiring messages and tips, coordinating and running occasional events for the "Breast Friends" group
- Provide educational support and resources; attend monthly support groups
- Assist the staff of the Women's Health Center in providing a positive experience for all patients – this can involve trafficking patients to rooms, calling patients, updating files in MedEnt, assisting at the front desk, etc.
- Assist with special events such as breast care screenings
- Organize events such as the Free Breast Health Screen (October and April) and Employee Health Education Events in the hospital

Requirements

College degree, preferably a degree in science or medical related field; CPR certification

Qualifications

Compassion, willingness to learn about oncology and the process of breast and cancer care

Redeemer Valley Community Garden

The Community Garden provides individual plots and a large community supported garden. Its purpose is to benefit the community by growing nourishing locally-grown food, by sharing what we have gained from our labors and experiences, by education and collaboration with the Holy Redeemer Health System and other local organizations while benefiting the earth through sustainable growing practices.

Environment Protection Committee of Redeemer (EPCOR) is comprised of multidisciplinary organizational leaders to provide program oversight and direction.

17. Garden Coordinator/Sustainability Coordinator

Responsibilities

- Crop planning
- Monthly garden meetings
- Organic methods research
- Coordinating volunteers
- Coordinating Farmer's Markets
- Winter and Spring garden preparations
- Daily garden care
- Farmer's Markets
- School garden assistance
- Animal care (cleaning, feeding)
- Food Cupboard Liaison: coordinate crop picking and prep for Food Cupboard pickup
- Grant research
- New garden/agricultural initiatives research

Requirements Qualifications

High school diploma or GED
Love of nature, some garden experience, good organizational skills, relational skills, good health, able to lift 50 lbs, self-motivated, ability to learn new skills.
Position includes participating in meetings, planning and preparing gardens, manual labor, participating in Farmer's Markets/fundraisers, knowledge of crops and soil mgmt (can be learned on the job), working with community organizations, participating in social events, caring for small farm animals

Triest Hall

Triest Hall is a licensed, 24-hour residential program for developmentally challenged adults between the ages of 38 and 78. The Brothers of Charity staff, operate and live in Triest Hall, creating a living community of support consisting of abled and disabled together.

18. Resident Companion

Responsibilities

- Meet and cultivate relationships with the residents of Triest Hall
- Explore opportunities within the community for residents to engage in activities and socialize with peers
- Join the residents for in-house activities and recreation, as well as special events within the community

Requirements

Prior experience working with persons with developmental disabilities is preferred, but not required

Qualifications

Compassion, desire to be a healing presence and develop friendships
